Amadeo Saenz, Jr., P.E., Executive Director
Texas Department of Transportation

It is expressly understood that the Texas Department of Transportation shall not be responsible in any way for any damage of whatever nature that may result from the movement of the described vehicle and load over state highways, and that all such responsibility is hereby accepted on behalf of the applicant.

The oversize/overweight permit is issued on the condition that the applicant will comply with all laws and rules relating to moving oversize/overweight vehicles/ equipment on Texas highways. Violations of any rules formally adopted by the Texas Department of Transportation regarding the movement of oversize/ overweight vehicles/equipment will cause this permit to be null and void and may subject the applicant to being cited for violation of Texas size and weight laws. This permit does not authorize the vehicle(s) to exceed manufacturer's tire load rating FMCSR § 393.75f.

(State law requires that this permit must be carried and remain in the vehicle for which it is issued until the day after the expiration date.)

 (Motor Carrier Division)

Temporary Registration
 Permit Number: _____

Received by: _____

- A. **One-trip Permit** — This temporary registration is valid for the transit of the vehicle only and shall not be used for the transportation of any passenger or property for compensation or otherwise unless the vehicle is a bus operating under charter which is not covered by reciprocity agreement with the state or county in which it is registered.

The applicant, by placement of his signature on the face of this form, hereby certifies that the vehicle described herein will not be operated in violation of the provision of V.C.S. 6675-6e, Sec. 3 and that the vehicle will be carrying no load fixed or otherwise. The fee is \$5 and is valid for one trip only between the points of origin and destination and such intermediate points as may be set forth in the application. In case of a bus operating under charter which is not covered by a reciprocity agreement, such registration shall be for the transit of the vehicle only, and the vehicle shall not, at the time of the transit, be used for the transportation of any passenger or property whatsoever. The movement for said vehicle must either originate or end in the state of Texas.

- B. **72/144-hour Permits** — These permits issued to vehicles subject to registration by the state of Texas and which are not authorized to travel on the public roads of the state for lack of registration or lack of reciprocity.

The applicant by placement of his signature on the face of this form hereby certifies:

1. That he/she is the owner or authorized agent of the owner of the vehicle(s) described herein.
2. That he/she is not purchasing this permit as a result of being apprehended for violating the registration laws of this state.

These permits cannot be used on the vehicle for which issued until such time as the vehicle has been inspected under the Texas Safety Inspection Act and displays an inspection sticker unless the vehicle displays current out-of-state license plates or is a drilling and servicing vehicle used in the production of gas and crude petroleum oil.

The Texas Department of Transportation maintains the information collected through this form. With few exceptions, you are entitled upon request to be informed about the information that we collect about you. Under §§552.021, 552.023 and 559.004 of the Texas Government Code, you are entitled to receive and review the information, and to have us correct erroneous information.
